# Graphtec Pro Studio Graphtec Pro Studio Plus Cutting Master 4

# **Operation Manual**

### Precautions

Graphtec Pro Studio / Graphtec Pro Studio Plus / Cutting Master 4 (hereinafter referred to as "software")

- All rights related to this software are the property of the SA International, Inc. (hereinafter referred to as "SAi, Inc.").
- To use this software, you must perform the user registration to SAi's SAi Cloud.
- To use this software, you must agree to the license agreement with the SAi.
- The activation code of Graphtec Pro Studio / Graphtec Pro Studio Plus is the right that one user can use the software with one computer.
- E-mail address for user registration is required.
- The computer that you want to install this software must be connected to the Internet.

However, although Graphtec Pro Studio / Graphtec Pro Studio Plus can be installed to a computer that is not connected to the Internet by performing the "4-1 When starting the Graphtec Pro Studio on a computer that is not connected to the Internet" procedure, a computer that is connected to the Internet is required separately.

- The screens used in this manual may differ from the actual screen. In addition, the screens and function names that have been provided is subject to change without notice.
- Please log in to the computer using the account with the administrative right.
- For the latest supported OS, please check our website.

# **4.** When Getting Help

### 4-1 When starting the Graphtec Pro Studio on a computer that is not connected to the Internet

- **1.** Perform the user registration on a computer that is connected to the Internet. Refer to the (1-1 User registration to "SAi Cloud") (P6).
  - \* Just leave the state that Step 10 is displayed, without closing the browser. Set later. Set in the Step 7 of this procedure.
- 2. Insert the "USER GUIDE & SOFTWARE DVD" supplied with the product into the DVD driver of the computer to install the Graphtec Pro Studio.

Click on the [Setup Graphtec Pro Studio] button from "Start" screen.

Install it in accordance with the wizard from here.

\* When downloaded from GTC's Web site, double-click on the "Autorun.exe".

\* Click on the "Step 1–Download"-"Download now" displayed in Step 10 of the (1-1 User registration to "Sai Cloud") (P6) and then download the "SAi\_Software\_Download.exe".

You can download the Graphtec Pro Studio by executing the downloaded "SAi\_Software\_Download.exe". Even if you downloaded it in this way, double-click on the "Autorun.exe".

**3.** Click on the [Browse] button when you want to change the destination folder. Click on the [Next] button.

**4.** Leave the initial values for the check boxes. Click on the [Next] button.

5. The screen to enter the activation code is displayed at the end of the installation.

Make a note so as not to forget the ID that is displayed in the "Computer ID" item.

Or, click on the [Copy Computer ID to Clipboard] item and open the Notepad and then paste the computer ID on it.

Save this data file in the memory device such as a USB memory device. Click on the [Close] button.

6. The following "Information" screen is displayed. Click on the [OK] button.

7. Return to the computer that has been connected to the Internet. Click on the [License Manager can't connect?] item.
